1. One thing you are proud of accomplishing:

Managing my AI and Data Engineering studies at IIT Jodhpur alongside Dars , while actively participating in extracurricular activities

2. A person you deeply admire and why:

My parents, because they have shown me how to accomplish things I once thought were beyond my reach.

3. When something is difficult, you usually:

I try different approaches, learn from mistakes and keep working until I find a solution

4. Who you approach first when you need support:

i prioristize things ,schedule the things, that needs action to be taken, to late night or early morning and find a way out by myself .

5. What kind of behavior hurts you the most:

disrespect

6. What you wish people understood better about you:

to never assume a foul intentions in my actions and words,i expect people to respect my boundaries, especially when I've clearly expressed them. Disregarding those boundaries instantly makes me angry.

7. One thing you want to improve or be better at:

Managing my energy and priorities when handling multiple responsibilities, without compromising on the quality of my work.

8. What makes you want to give up:

Being mentally exhausted from handling too many things at once or not seeing results despite my efforts.

9. How do you recover after a disappointment:

I usually don't stay disappointed for long , it just takes an hour or 2 to recover by itself , the only exception is disrespect that i can never forget who did , how did, and why did.

10. Why should you continue learning and gaining knowledge:

to improve itself

11. What qualities make someone worthy of respect:

honesty,knowledge,skills,athletics,working selflessly

12. What does it mean to be a successful person:

being knowledgeable, responsible and capable of using what I know to benefit others.

13. How can you use your unique skills to benefit others:

using what i learned in dars to lead a life with traits that attract others to know from where it came so they may follow it ,also my technical knowledge to build useful solutions, my creative skills to communicate ideas ,my leadership abilities to help and coordinate people.

14. What kind of person do you want to be remembered as:

as someone who was willing to learn, take responsibility, help others and make a positive difference, rather than just for my achievements or qualifications.
